## Milan

The stylish Series 50 Milan product comes with the new "Easy Clip" brackets. Cover plates for face fix brackets are included to give a clean finish, hiding all screws.

Made with the highest quality aluminium, the track is slim and compact, yet strong and reliable. Suitable for conventional and S-Wave curtains. Known for its versatility, this track can be used for both Commercial and Domestic applications such as hotels, homes, shops etc.

Available in White, Platinum and Black as standard. Other colours available by powder coating.

Unlike Anodised, the Platinum has a special electro plated finish allowing runners to glide through the track with minimal friction. Platinum is unique to Oslo.

Hand drawn only.
