Chadwick 29mm Rod Slider

The Oslo Series 65 Chadwick 29mm Rod Slider Track System is a stylish tracking system giving the rod look while utilising standard roller runners or clear wave runners.

It is perfect for complimenting your clients decorating needs with a range of modern quality finials and end caps.

Face fix brackets with cover plates are available.

Colour options available are White, Black, Anodised, Bright Silver (Chrome) Effect and Birch White. Other colours can be powder coated to suit any décor.

It can also be combined with our Series 79 tracking to allow double track combos.

Advantages:

Rod look with conventional curtain systems

Bracket cover plates available

Roller carriers.

Clear wave carriers.

Available in hand drawn or corded options

Can be mitre (90deg) joined into a corner.

Combines with Series 79 tracking system for double track combos
