Series 57
Fineline

The fine profile "20mm x 14mm" design of the Series 57 provides minimal looks, while remaining strong for medium weight commercial applications. This system is regularly specified by builders and architects in a range of commercial applications not limited to just hotels and office buildings.

Advantages:

White, Platinum, and Black as standard. Other colours available by powder coating
Cover plates for face fix brackets included as standard, hiding screws.
Covers plates for ceiling fix brackets available on request.
Roller Carriers "standard" heading only.
Clear Wave Carriers.
Snap in "standard" heading glides in White and Black
Hand or Cord Drawn (straight tracks only. Not recommended for longer tracks)
Factory degree bending at a tight 150mm radius.
