

Series 79

Light Domestic

The Oslo Series 79 is a light domestic curtain tracking system which is suitable for most curtain weights. This system can be supplied in both hand and cord operation and is ideal for bay and corner window applications.

Available as a single, double or triple track, supported by a range of both ceiling and face fix brackets that provide a strong durable system with a view to easy installation via die cast locking cams.

Snap in gliders or roller carriers ensures a smooth-running track. Available as made to measure or bulk components in White, Black, Platinum and Birch White.

Advantages:

- Die cast locking cams**
- Bracket covers available**
- On Site benders available**
- Glides and Roller runners available**
- Clear Wave runners**
- Corded on straight tracks only**
- Bendable – degree and continuous curve**
